## Addicted to love

The lights are on, but you're not home  
Your mind is not your own  
Your heart sweats, your body shakes  
Another kiss is what it takes

You can't sleep, you can't eat  
There's no doubt, you're in deep  
Your throat is tight, you can't breathe  
Another kiss is all you need

Whoa, you like to think that you're immune to the Stuff, oh Yeah  
It's closer to the truth to say you can't get enough,  
You know you're gonna have to face it, you're  
Addicted to love

You see the signs, but you can't read  
You're running at a different speed  
Your heart beats in double time  
Another kiss and you'll be mine, a one-track mind

You can't be saved  
Oblivion is all you crave  
If there's some left for you  
You don't mind if you do

Whoa, you like to think that you're immune to the Stuff, oh Yeah  
It's closer to the truth to say you can't get enough,  
You know you're gonna have to face it, you're  
Addicted to love

Might as we'll face it, you're addicted to love 5 x

Your lights are on, but you're not home  
Your will is not your own  
Your heart sweats your teeth grind  
Another kiss and you'll be mine

Whoa, you like to think that you're immune to the Stuff, oh Yeah  
It's closer to the truth to say you can't get enough,  
You know you're gonna have to face it, you're  
Addicted to love

Might as well face it, you're addicted to love 8 x

# Ain't nobody

Rufus & Chaka Khan

- 1. Captured effortlessly, that's the way it was,  
happened so naturally, I did not know it was love.  
The next thing I felt was you holding me close,  
what was I gonna do, I let myself go.  
And now we fly through the stars,  
I hope this night will last forever.
  
- 2. I've been waiting for you, it's been so long,  
I know just what I would do when I heard your song  
You filled my heart with a kiss, you gave me freedom,  
You know I could not resist, I need someone.  
And now we're flying through the stars,  
I hope this night will last forever
  
- R. Ain't nobody loves me better,  
makes me happy, makes me feel this way,  
Ain't nobody loves me better (than you)
  
- 3. I wait for nighttime to come to bring you to me  
I can't believe I'm the one, I was so lonely  
I feel like no one could feel, I was so lonely.  
I want this dream to be real, I need this feeling,  
I make my wish upon a star and hope this night will last forever
  
- R. Ain't nobody loves me better,  
makes me happy, makes me feel this way,  
Ain't nobody loves me better (than you)
  
- 4. At first you put your arms around me  
Then you put your charms around me,  
I can't resist this sweet surrender on a night so warm and tender  
We stare into each other's eyes, and what we see is no surprise,  
We've got a feeling most would treasure  
and love so deep we cannot measure

R. Ain't nobody loves me better,  
makes me happy, makes me feel this way,  
~~Ain't nobody loves me better (than you)~~ x 3 ... fade out 2...

Little Blue: Color of Love

Trophy bride on a trophy ride  
Green is the color of love  
The girl's hot on fire is what the boy desires  
Red is the color of love.  
It's like hurricane and the tears are rain,  
Grey is the color of love;  
It's like rainbow game, yes, it's all the same,  
You'll never find a color for love.

I've heard love described by many shades (so many shades)

In the total spectrum of our lives -

Love - don't know no color, baby (no, no)

Love - don't know no color, baby, color, babe, color, baby, color, babe.

Mother smiles at a newborn child,

Pink is the color of love;

Family cries, when their daddy dies,

Black is the color of love;

It tears me up inside when you walk away;

Blue is the color of love;

I have to laugh out loud when I hear them say

You'll never find a color for love.

I've heard love described by many shades (so many shades)

In the total spectrum of our lives -

Love - don't know no color, baby (now, now)

Love - don't know black from white or blue

Life can be a prism, so please remove your shades

Listen what I'm sayin' to you baby

(Lo - ove) - don't know no color, baby, color, babe, color, baby,  
color, babe.

(Solo)

Love don't know no color,

Love don't know no color, black from white or blue; (black from white or  
blue)

Love don't know no color, (no color) knows what's real or true (knows  
what's real or true)

Love don't know no color, black from white or blue

Love don't know no color, (no, no, no) knows what's real or true

You'll know no color, baby, color, babe, color, baby, color, babe,  
color, baby, color, babe - love don't know no color

Since the day - down in the hollow  
When the mind went driftin' on  
And the feet were soon to follow

Digin on James Brown

Tower of Power

1 been tru all them changes  
A lot of stuff came down  
I dealt with all the issues  
You might say I been around

But back when I got started  
There was a righteous sound  
It doesn't matter what I been thru  
I still be diggin' on James Brown

2 You know the more things change  
The more they stay the same  
It may be a differen age  
But I'm on the same page  
'Cause there's one thing that I've found  
I still be diggin' on James Brown

I had an attitude adjustment  
I did some psycho therapy  
I helped myself to some self-help  
I dabbled in some e.s.p.

Though my world is ever changing  
And I moved from town to town  
It doesn't matter where I been to  
I still be diggin' on James Brown

You know the more things change  
The more they stay the same  
It may be a differen age  
But I'm on the same page  
'Cause there's one thing that I've found  
I still be diggin' on James Brown

3 You got your rap and your disco  
You got your drum machines  
You got your r-rated gangsta'  
You got your grungy scenes  
You got your state of the art  
You got your digital sound  
It doesn't matter where it's goin' to  
I still be diggin' on James Brown

Take it to the bridge  
I'll get you where you live  
When there's water all around  
You can still get outta' town  
And still be diggin' on James Brown

You know the more things change  
The more they stay the same  
It may be a differen age  
But I'm on the same page  
'Cause there's one thing that I've found

"Do What You Do" TINA TURNER

When you say the things you say you gotta mean it  
and when you do the things you do, it's gotta come from the heart

Something's gone, I can't explain.  
The heat is missing from the flame  
can't deny it, there's a link missing from the chain...uhuh  
There's something wrong with you and me  
when one and one adds up to three  
Don't know the reason, but the fact is plain to see ...uhuh

It's the touch that you lose, and the words you don't say  
it's the love you refuse, don't you throw it away  
When you do what you do that like you to me  
don't you know that it ain't enough  
When you do what you do it don't mean a thing  
when you do what you do without love, without love

I'm gonna paint a picture of you  
The only colour I need is blue  
You're out of love, baby you know it's true...uhuh  
Tell me why and I'll try to understand  
Cos I could cry when you do what you do to me  
Don't you know that it ain't enough  
When you do what you do it don't mean a thing  
When you do what you do without love....aaaahhhh  
It's the touch that you lose, and the words you don't say  
It's the love you refuse, don't you throw it away  
When you do what you do what you do to me  
Don't you know that it ain't enough  
When you do what you do it don't mean a thing  
Then you know it's a crime that you're guilty of  
When you do what you do without love, without love  
Don't know what you're doing, what you're doing with our love

When you do what you it dont' mean a thing  
(don't mean a thing...do, got to do it with love)  
When you do what you do it don't mean a thing  
(don't mean a thing...do it, gotta do it with love)  
When you do what you do it don't mean a thing  
(don't mean a thing...do it, gotta do it with love) ]

**"Don't Let The Sun Go Down (On Me)"**  
(feat. Elton John)

(B) } I can't light no more of your darkness  
All my pictures seem to fade to black and white  
I'm growing tired and time stands still before me  
Frozen here on the ladder of my life

(B) } It's much to late to save myself from falling  
I took a chance and changed your way of life  
But you misread my meaning when i met you  
Closed the door and left me blinded by the light

(K) Don't let the sun go down on me  
Although i search myself, it's always someone else i see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me

(2) I can't find oh, the right romantic line  
But see me once and see the way i feel  
Don't discard me just because you think i mean you harm  
But these cuts i have, oh they need love to help them heal

(K) Don't let the sun go down on me  
Although i search myself, it's always someone else i see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me

Evil Ways SANTANA

(Clarence Henry)

1

You've got to change your evil ways... baby  
Before I stop loving you.  
You've got to change... baby  
And every word that I say, it's true.  
You've got me running and hiding  
All over town.

You've got me sneaking and peeping  
And running you down  
This can't go on...  
Lord knows you got to change... baby.

2

When I come home... baby  
My house is dark and my pots are cold  
You're hanging around... baby  
With Jean and Joan and a who knows who  
I'm getting tired of waiting and fooling around  
I'll find somebody, who won't make me feel like a clown  
This can't go on...  
Lord knows you got to change

# Feeling Stronger Every Day - Chicago

I do believe in you  
And I know you believe in me  
Ooh yeah, ooh yeah

But now we've realized  
Love's not all that is s'posed(supposed) to be  
Ooh yeah, ooh yeah

Knowing that you would have wanted it this way  
I do believe I'm feeling stronger everyday

I know we really tried  
Together we had love inside  
Ohh yeah, ooh yeah

So now the time has come  
For both of us to be on the run  
Ooh yeah, ooh yeah

Knowing that you would have wanted it this way  
I do believe I'm feelin stronger every day  
yeah yeah yeah

yeah yeah yeah

Afer what you've meant to me  
Uuh baby now, I can't make it easily  
yeah yeah yeah

I know that we both are free  
The first thing that happened to you  
The first thing that happened to me  
yeah yeah yeah

yeah  
yeah  
yeah

Feeling stronger every day  
Feeling stronger every day  
Feeling stronger every day (Noone will hurt now)  
Feeling stronger every day "  
Feeling stronger every day "  
Feeling stronger every day "

Handwritten musical notation and diagrams. The top part shows a staff with notes and a box labeled "Schump". Below it are several scribbled-out sections with lines and a red circle. The bottom part has more scribbles and a signature.

Just yesterday morning they let me know you were gone  
Suzanne the plans they made put an end to you ↓  
I walked out this morning and I wrote down this song  
I just can't remember who to send it to ↓

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Won't you look down on me, Jesus  
You've got to help me make a stand  
You've just got to see me through another day  
My body's aching and my time is at hand  
And I won't make it any other way ↓

oh, I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

I've been walking my mind to an easy time  
My back turned towards the sun  
Lord knows the cold wind blows it'll turn your head around  
Well, there's hours of time on the telephone line  
To talk about things to come  
Sweet dreams and flying machines in pieces on the ground.

oh, I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you, baby one more time again, (now)

Thought I'd see you one more time again  
There's just a few things coming my way this time around,  
Thought I'd see you, thought I'd see you fire and rain, now  
Thought I'd see you just one more time again.

**Go Your Own Way**

by Unknown

Loving you  
Isn't the right thing to do  
How can I ever change things  
That I feel

If I could  
Maybe I'd give you my world  
How can I  
When you won't take it from me

You can go your own way  
Go your own way  
You can call it  
Another lonely day  
You can go your own way  
Go your own way

Tell me why  
Everything turned around  
Packing up  
Shacking up is all you wanna do

If I could  
Baby I'd give you my world  
Open up  
Everything's waiting for you

You can go your own way  
Go your own way  
You can call it  
Another lonely day  
You can go your own way

Go your own way

### Got To Get You Into My Life

\*\*\*\*\*

I was alone, I took a ride,  
I didn't know what I would find there  
Another road where maybe I could see another kind of mind there

Ooh, then I suddenly see you,  
Ooh, did I tell you I need you  
Every single day of my life

You didn't run, you didn't lie  
You knew I wanted just to hold you  
And had you gone you knew in time we'd meet again  
For I had told you

Ooh, you were meant to be near me  
Ooh, and I want you hear me  
Say we'll be together every day

Got to get you into my life

What can I do, what can I be,  
When I'm with you I want to stay there  
If I'm true I'll never leave  
And if I do I know the way there

Ooh, then I suddenly see you,  
Ooh, did I tell you I need you  
Every single day of my life

Got to get you into my life  
Got to get you into my life

I was alone, I took a ride,  
I didn't know what I would find there  
Another road where maybe I could see another kind of mind there  
Then suddenly I see you,  
Did I tell you I need you...

# HAPPY BIRTHDAY Stevie Wonder

You know it doesnt make much sense There ought to be a law against  
 Anyone who takes offense At a day in your celebration cause we all  
 know in our minds That there ought to be a time That we can set aside  
 To show just how much we love you And Im sure you would agree It  
 couldnt fit more perfectly Than to have a world party on the day you  
 came to be

Happy birthday to you Happy birthday to you Happy birthday

Happy birthday to you Happy birthday to you Happy birthday

I just never understood How a man who died for good Could not have a  
 day that would Be set aside for his recognition Because it should never  
 be Just because some cannot see The dream as clear as he That they  
 should make it become an illusion And we all know everything That he  
 stood for time will bring For in peace our hearts will sing Thanks to  
 martin luther king

Happy birthday to you

Happy birthday to you

Happy birthday

Happy birthday to you Happy birthday to you Happy birthday  
 Why has there never been a holiday Where peace is celebrated All  
 throughout the world

The time is overdue For people like me and you Who know the way to  
 truth Is love and unity to all gods children It should never be a great  
 event And the whole day should be spent In full remembrance Of those  
 who lived and died for the oneness of all people So let us all begin We  
 know that love can win Let it out dont hold it in Sing it loud as you can

Happy birthday to you Happy birthday to you Happy birthday

Happy birthday to you Happy birthday to you Happy birthday

Happy birthday to you Happy birthday to you Happy birthday

Happy birthday to you Happy birthday to you Happy birthday

Happy birthday Happy birthday Happy birthday Ooh yeah Happy  
 birthday... We know the key to unify all people Is in the dream that you  
 had so long ago That lives in all of the hearts of people That believe in  
 unity Well make the dream become a reality I know we will Because our  
 hearts tell us so

I can't believe that it's real  
The way that you make me feel  
A burning deep down inside  
A love that I cannot hide

Our love is you and me baby  
That makes the world go 'round  
And if you've been doin' lovin' with me  
Layin' all my troubles down

Here I am, baby  
Come and take me  
Here I am, baby  
Come and take me  
Take me by the hand  
Show me  
Here I am, baby

It always ends up this way  
Me begging you every day  
A love that I cannot have  
You broke my heart into half

Our love is you and me baby  
That makes the world go 'round  
And if you've been doin' lovin' with me  
Layin' all my troubles down

Here I am, baby  
Come and take me  
Here I am, baby  
Come and take me  
Take me by the hand  
Squeeze me  
Here I am, baby

When I'm down  
I can always call you  
For a helpin' hand  
I know you'll do the best you can

But it don't take much from me  
Just my cup of Joe  
Oh there's love inside me  
I believe there's going to be an explosion

It's tough for me, oh baby  
I can do worry  
Tell me all your troubles  
You won't ever have to worry now

Just one more thing, ask everybody  
Everybody you see, no, no  
You'll find yourself lost  
And alone on a darkened street

Here I am, baby  
Come and take me  
Here I am, baby  
Come and take me  
Take me by the hand  
Show me  
Here I am, take me  
Here I am, show me, won't you

Here I am, baby  
Come and take me  
Won't you teach me, baby?  
Won't you take me by the hand?  
Teach me  
Here I am, baby

# I Feel the Earth Move

written by Carole King

I feel the earth move under my feet  
I feel the sky tumbling down  
I feel my heart start to trembling  
Whenever you're around

Oh baby when I see your face  
Mellow as the month of May  
Oh darling I can't stand it  
When you look at me that way  
I feel the earth move

I feel the earth move under my feet  
I feel the sky tumbling down  
I feel my heart start to trembling  
Whenever you're around

Oh darling when you're near me  
And you tenderly call my name  
I know that my emotions  
Are something I just can't tame  
I just got to have you baby

I feel the earth move under my feet  
I feel the sky tumbling down  
I feel the earth move under my feet  
I feel the sky tumbling down  
I just lose control  
Down to my very soul  
I get hot  
All over

I feel the earth move under my feet  
I feel the sky tumbling down  
Tumbling down  
I feel the earth move under my feet  
I feel the sky tumbling down  
Tumbling down...

Stevie Wonder

1. Lookin' back on when I was a little nappy headed boy  
 Then my only worry was for christmas what would be my toy  
 Even thought sometimes we would not get a thing  
 We were happy with the joy the day would bring

KNOCK ON WOOD  
Amii Stewart  
- music and lyrics by Eddie Floyd & Steve Cropper

4 auf 4

108

I don't want to lose you, this good thing  
that I got 'cause if I do  
I will surely,  
surely lose a lot.  
'Cause your love is better  
than any love I know.  
It's like thunder and lightning,  
the way you love me is frightening.  
You better knock, knock on wood, baby.

I'm not superstitious about ya  
but I can't take no chance.  
I got me spinnin', baby,  
you know I'm in a trance.  
'Cause your love is better  
than any love I know.  
It's like thunder and lightning,  
the way you love me is frightening.  
You better knock, knock on wood, baby.

It's no secret about it,  
that woman is my loving cup  
'cause she sees to it  
that I get enough.  
Just one touch from here,  
you know it means so much.  
It's like thunder and lightning,  
the way you love me is frightening.  
You better knock, knock on wood, baby.

You better knock, knock, knock on wood ...

# Logical Song Supertramp

① When I was young, it seemed that life was so wonderful, a miracle, it was beautiful, magical

And all the birds in the trees, well they'd be singing so happily, joyfully, playfully, watching me

But then they send me away to teach me how to be sensible, logical, responsible, practical

And they showed me a world where I could be so dependable, clinical, intellectual, cynical

There are times when all the world's asleep  
The questions run too deep for such a simple man  
Won't you please, please tell me what we've learned  
I know it sounds absurd but please tell me who I am

② I said now, watch what you say, now we're calling you a radical, a liberal, fanatical, criminal

Won't you sign up your name, we'd like to feel you're acceptable, respectable, presentable, a vegetable

③ But at night, when all the world's asleep  
The questions run so deep for such a simple man

Won't you please (Won't you tell me), (You can tell me what) please tell me what we've learned (Can you hear me?)  
I know it sounds absurd, (Won't you help me) please tell me who I am, who I am, who I am

④ But I'm thinking so logical

Did you call, one two three four

It's getting unbelievable

Love Song  
- Sara Bareilles

Head under water

And they tell me to breathe easy for a while  
The breathing gets harder, even I know that  
You made room for me but it's too soon to see  
If I'm happy in your hands

I'm unusually hard to hold on to  
Blank stares at blank pages  
No easy way to say this  
You mean well, but you make this hard on me

I'm not gonna write you a love song  
'cause you asked for it  
'cause you need one, you see  
I'm not gonna write you a love song  
'cause you tell me it's  
Make or breaking this  
If you're on your way  
I'm not gonna write you to stay

If all you have is leaving I'm gonna need a better  
Reason to write you a love song today

I learned the hard way  
That they all say things you want to hear  
And my heavy heart sinks deep down under you and  
Your twisted words,  
Your help just hurts

You are not what I thought you were  
Hello to high and dry  
Convinced me to please you  
Made me think that I need this too  
I'm trying to let you hear me as I am

I'm not gonna write you a love song  
'cause you asked for it  
'cause you need one, you see  
I'm not gonna write you a love song  
'cause you tell me it's  
Make or breaking this  
If you're on your way  
I'm not gonna write you to stay

If all you have is leaving I'm gonna need a better  
Reason to write you a love song today

Promise me that you'll leave the light on  
To help me see with daylight, my guide, gone  
'cause I believe there's a way you can love me  
Because I say

I won't write you a love song  
'cause you asked for it  
'cause you need one, you see

I'm not gonna write you a love song  
'cause you tell me it's make or breaking this  
Is that why you wanted a love song  
'cause you asked for it

'cause you need one, you see  
I'm not gonna write you a love song  
'cause you tell me it's make or breaking this  
If you're on your way

I'm not gonna write you to stay  
If your heart is nowhere in it  
I don't want it for a minute  
Babe, I'll walk the seven seas when I believe that  
There's a reason to  
Write you a love song today

# Love the One You're With by Stephen Stills

If you're down and confused, and you don't remember who you're talkin' to. Concentration slip away, 'cause your baby is so far away.

Well there's a rose in the fisted glove and the eagle flies with the dove, and if you can't be with the one you love, honey, love the one you're with, love the one you're with, love the one you're with, love the one you're with.

Don't be angry, don't be sad, and don't sit cryin' over good times you've had. There's a girl right next to you, and she's just waitin' for something to do.

And there's a rose in the fisted glove and the eagle flies with the dove, and if you can't be with the one you love, honey, love the one you're with, love the one you're with, love the one you're with, love the one you're with.

Dit dit dit dit dit dit dit dit, dit dit dit dit dit dit dit dit, dit dit dit dit dit dit dit dit, dit dit dit, dit dit dit, dit dit dit.

Turn your heartache right into joy, she's a girl, and you're a boy.  
Well get it together, make it real nice,  
You ain't gonna need anymore advice.

And there's a rose in the fisted glove and the eagle flies with the dove, and if you can't be with the one you love, honey, love the one you're with, love the one you're with, love the one you're with, love the one you're with.

# Natural Woman Aretha Franklin

Carol King

(You Make Me Feel Like A)

Looking out on the morning rain  
I used to feel so uninspired  
And when I knew I had to face another day  
Lord, it made me feel so tired  
Before the day I met you, life was so unkind  
But you're the key to my peace of mind

Because you make me feel,  
You make me feel, you make me feel like  
A natural woman

When my soul was in the lost-and-found  
You came along to claim it  
I didn't know just what was wrong with me  
Till your kiss helped me name it  
Now I'm no longer doubtful of what I'm living for  
And if I make you happy I don't need to do more

Because you make me feel,  
You make me feel, you make me feel like  
A natural woman

Oh, baby, what you've done to me  
You make me feel so good inside  
And I just want to be close to you  
You make me feel so alive  
You make me feel,  
You make me feel, you make me feel like  
A natural woman

Roll With It      Steve Winwood

When life is too much, roll with it, baby  
Don't stop and lose your touch, oh no, baby  
Hard times knocking on your door, I'll tell them you  
ain't there no more

Get on through it, roll with it, baby  
Luck'll come and then slip away, you've gotta move, bring  
it back to stay

You just roll with it, baby, come on and just roll with  
it, baby  
You and me, roll with it, baby, hang on and just roll  
with it, baby

The way that you love is good as money  
I swear by stars above, sweet as honey  
People think you're down and out, you show them what it's  
all about

You can make it, roll with it, baby  
When this world turns it's back on you, hang in and do  
that sweet thing you do

You just roll with it, baby, you just roll with it, baby  
Come on and just roll with it, baby, you and me, just  
roll with it, baby

Pier

Ref

Now there'll be a day you'll get there, baby, you'll hear  
the music play, you'll dance, baby  
You'll leave bad times way behind, nothing but good times  
on your mind

You can do it, roll with it, baby  
Then you'll see life will be so nice, it's just a step up  
to paradise

You just roll with it, baby, you just roll with it, baby  
You and me, just roll with it, baby, Come on and just  
roll with it, baby

# Son of a preacherman Aretha Franklin

Billy Ray was a preacher's son  
 And when his daddy would visit he'd come along  
 When they gathered around and starting talkin'  
 That's when Billy would take me walkin'  
 Out through the back yard we'd go walkin'  
 Then he'd look into my eyes  
 Lord knows, to my surprise

The only one who could ever reach me  
 Was the son of a preacherman  
 The only boy who could ever teach me  
 Was the son of a preacheman  
 Yes he was, he was, ooh, yes he was

Bein' good isn't always easy  
 No matter how hard I try  
 When he started sweet-talkin' to me  
 He'd come'n tell me "Everything is all right "  
 He'd kiss and tell me "Everyting is all right "  
 Can I get away again tonight ?

The only one who could ever reach me  
 Was the son of a preacherman  
 The only boy who can ever teach me  
 Was the son of a preacherman  
 Yes he was, he was, ooh, yes he was ( yes he was )

How well I remember  
 The look that was in his eyes  
 Stealin' kisses from me on the sly  
 Takin' time to make time  
 Tellin'me that he's alle mine  
 Learin' from each other's knowin'  
 Lookin' to see how much we've grown and

The only one who could ever reach me  
 Was the son of a preacherman  
 The only boy who could ever teach me  
 Was the son of a preacherman  
 Yes he was, he was, ooh, yes he was

( The only one who could ever reach me )  
 He was the sweet-talkin' son of a preacherman  
 ( The only boy who could ever teach me )  
 Was the son of a preacherman

( The only one who could ever reach me )  
 Was the sweet-talkin' son of a preacherman

**Superstition** Stevie Wonder

Very superstitious, writing's on the wall,  
Very superstitious, ladders bout' to fall,  
Thirteen month old baby, broke the lookin' glass  
Seven years of bad luck, the good things in your past.

When you believe in things that you don't understand,  
Then you suffer,  
Superstition ain't the way

Very superstitious, wash your face and hands,  
Rid me of the problem, do all that you can,  
Keep me in a daydream, keep me goin' strong,  
You don't wanna save me, sad is my song.

When you believe in things that you don't understand,  
Then you suffer,  
Superstition ain't the way, yeh, yeh.

Very superstitious, nothin' more to say,  
Very superstitious, the devil's on his way,  
Thirteen month old baby, broke the lookin' glass,  
Seven years of bad luck, good things in your past

When you believe in things that you don't understand,  
Then you suffer,  
Superstition ain't the way, no, no, no

# Take The Long Way Home

Supertramp

Songwriters: DAVIES, RICHARD / HODGSON, ROGER

~ 2 - 2 - 2 - 2 | x

So you think you're a Romeo, playing a part in a picture-show  
 We take the long way home, take the long way home  
 Cos you're the joke of the neighbourhood, why should you care if you're feeling good  
 Take the long way home, take the long way home

There are times that you feel you're part of the scenery, all the greenery is comin' down boy

Then your wife seems to think you're part of the furniture, oh it's peculiar, she used to be so nice

*Random*

Lonely days turn to lonely nights, you take a trip to the city lights  
 And take the long way home, take the long way home  
 You never see what you want to see, forever playing to the gallery  
 You take the long way home, take the long way home

When you're up on the stage it's so unbelievable, unforgettable, how they adore you

But then your wife seems to think you're losing your sanity, oh calamity, well is there no way out?

2 2 2 2

*Side* (Ooh, take the long way home) | 2 x 2  
 (Take it, take it, take it home)

Does it feel that your life's become a catastrophe, oh it has to be for you to grow boy

When you look through the years and see what you could have been, oh what might have been if you'd had more time

So when the day comes to settle down, who's to blame if you're not around?

You took the long way home, you took the long way home, you took the long way home (Same thing again)

You took the long way home, you took the long way home (For luck), you took the long way home

You took the long way home, you took the long way home

*The Heat Is On*

The heat is on, on the street  
Inside your head, on every beat  
And the beat's so loud, deep inside  
The pressure's high, just to stay alive  
'Cause the heat is on

Oh-wo-ho, oh-wo-ho  
Caught up in the action I've been looking out for you  
Oh-wo-ho, oh-wo-ho  
Tell me can you feel it  
Tell me can you feel it  
Tell me can you feel it  
The heat is on, the heat is on, the heat is on  
The heat is on, oh it's on the street, the heat is... on

The shadows are on the darker side  
Behind those doors, it's a wilder ride  
You can make a break, you can win or lose  
That's a chance you take, when the heat's on you  
When the heat is on

CHORUS

It's on the street  
The heat is on, the heat is on, the heat is on  
Yeah, it's on the street  
The heat is on

## "Sympathy For The Devil"

Please allow me to introduce myself  
I've been around for a long, long year  
And I was 'round when Jesus Christ  
Made damn sure that Pilate  
Pleased to meet you  
But what's puzzling you  
I stuck around St. Petersburg  
Killed the czar and his ministers  
I rode a tank  
When the blitzkrieg raged  
Pleased to meet you  
Ah, what's puzzling you  
I watched with glee  
Fought for ten decades  
I shouted out,  
When after all  
Let me please introduce myself  
And I laid traps for troubadours  
Pleased to meet you  
But what's puzzling you  
Pleased to meet you  
But what's confusing you  
Just as every cop is a criminal  
As heads is tails  
Cause I'm in need of some restraint  
Have some courtesy  
Use all your well-learned politesse  
Pleased to meet you  
But what's puzzling you  
Woo, who  
Oh yeah, get on down      Oh yeah  
Tell me baby, what's my name  
Tell me honey, can ya guess my name  
Tell me baby, what's my name  
I tell you one time, you're to blame  
Ooo, who      Ooo, who      Ooo, who  
Ooo, who, who      Ooo, who, who      Ooo, who, who  
Oh, yeah  
What's me name  
Tell me, baby, what's my name  
Tell me, sweetie, what's my name  
Ooo, who, who      Ooo, who, who      Ooo, who, who  
Ooo, who, who      Ooo, who, who      Ooo, who, who  
Ooo, who, who      Oh, yeah

I'm a man of wealth and taste  
Stole many a man's soul and faith  
Had his moment of doubt and pain  
Washed his hands and sealed his fate  
Hope you guess my name  
Is the nature of my game  
When I saw it was a time for a change  
Anastasia screamed in vain  
Held a general's rank  
And the bodies stank  
Hope you guess my name, oh yeah  
Is the nature of my game, oh yeah  
While your kings and queens  
For the gods they made  
"Who killed the Kennedys?"  
It was you and me  
I'm a man of wealth and taste  
Who get killed before they reached Bombay  
Hope you guessed my name, oh yeah  
Is the nature of my game, oh yeah, get down, baby  
Hope you guessed my name, oh yeah  
Is just the nature of my game  
And all the sinners saints  
Just call me Lucifer  
So if you meet me  
Have some sympathy, and some taste  
Or I'll lay your soul to waste, um yeah  
Hope you guessed my name, um yeah  
Is the nature of my game, um mean it, get down  
Oh yeah!
